Tributes of Love

TO MY MOTHER

I miss you
I thought of you with love today, but that is nothing new.
I thought about you yesterday, and days before that too.
I think of you in silence, I often speak your name.
All I have are memories and your pictures in a frame.
Your memory is my keepsake with which I'll never part.
God has you in his keeping and I have you in my heart,

-Regonold

TO MY MOTHER-IN-LAW

You became my mother
You become my mother the day I was wed. Hardly knowing one another when the vows had all been said I chose you child forever through laughter and through tears. I've also come to choose you, "Mother." To cherish though the years. You've always been right there for us together and I'd just want to thank you, "Mother" from the bottom of my heart. - Love Angie

TO OUR GRANDMA

In Loving Memory of Grandma Betty
Grandma Betty lived a life defined by hard work, resilience, and a humor that could light up the darkest days. She faced challenges with strength, and her love and dedication to her family was unmatched. Grandma Betty had a knack for balancing love and life lessons, often demonstrated in her unique way. One unforgettable moment was when she let me "run away" to the front steps, all because I didn't want to eat her cooking. She kept a watchful eye on me through the window, giving me a sense of freedom while quietly ensuring my safety—a perfect example of her wisdom and care.

Grandma Betty's legacy lives on in the values she instilled - family first, the laughter she shared, and the countless memories she created.

Rest peacefully, Grandma Betty.
You will be deeply missed and lovingly remembered.

Love Rica, William and Whitey

Betty Marie Ross Bolden was born on November 14, 1946, in Houston, Texas, the eldest child of Alfred and Mable Ross. She grew up in a loving home and attended Fidelity High School in the Galena Park Independent School District.

Betty dedicated many years to her work at Jacinto Nursing Home, serving in the dietary department. She was well-loved by coworkers and residents alike. Known for her spirited personality, Betty could often be found purchasing her Pick 3 numbers and lotto tickets, always hopeful and full of excitement.

Betty had a kind and generous heart, always willing to help others. She adored her pets, especially her beloved cat and a peacock affectionately named Mr. Steve. Family was everything to her. She was a proud mother, grandmother, and later, overjoyed to become a great-grandmother.

On Friday, December 20, 2024, Betty was called home by God, where she was welcomed into His loving arms.

She was preceded in death by her father Alfred Ross, mother Mable Ross, and brother Heney C. Ross.

Betty's memory will be cherished by her son, Regonold Ross (Angela); her granddaughters, Roderica Ross Craven (William) and Trovonda Dirden; her six great-granddaughters: Whitey, Karecia, Darenia, Kiara, D'Avian, and Ashani; and her six great-great-grandchildren. She also leaves behind her extended family: Mercie Lee (Dan and their four children and four grandchildren), Gloria Reed (her three children, 11 grandchildren, and one great-grandchild), as well as a host of family and friends.

Betty's generosity, vibrant spirit, and unwavering love will live on in the hearts of all who knew her.
